**Sunday 23<sup>rd</sup> June: Reflection:** Jesus Brings peace to a stormy sea and peace to his disciples. Jesus shows that He has power over nature, power over fear, power over any problem. When Jesus is in control of our lives, we have nothing to worry about or fear. When we become afraid or distressed, it is exposing how weak our faith in Jesus is. It shows that we are not trusting Him and His plan. Life is not predictable. There will be storms along the way, but God's unchanging character offers us a firm foundation when things feel unsteady and uncertain. The object of this miracle was to increase and strengthen the faith of the apostles; to teach the apostles and their successors that they, would be exposed to many persecutions and afflictions; but that Jesus would always be with them to hush the storm."

**Prayer to overcome the storms of life:** Teach me to trust in you Jesus so that when the unexpected storms of life come, I will expect peace in the midst of those storms, knowing that you are near, you hear my cries, and you are with me and for me. Lord, bring peace and calm to the storms I am facing or may face in the future.
